

## Race Rules

### RunRivieraRun International Half Marathon – Bronze

The RunRivieraRun Amateur Athletic Association, under the authority of the Italian Federation of Light Athletics (FIDAL) and in collaboration with the Region of Liguria, the Province of Savona, Loano City Council, Pietra Ligure City Council, Borgio Verezzi Town Council and Finale Ligure City Council have organized the thirteenth edition of the RunRivieraRun International Half Marathon. To be held on Sunday the 27<sup>th</sup> of October 2024, the route will take athletes 21.097 kilometers, starting from the Malpasso locality in Varigotti (Finale Ligure) at 9:30 am, and finishing at the Loano Marina, Loano (SV).

RunRivieraRun is part of the “Liguria Running Grand Prix” Circuit, organized by the Liguria Consortium of Running and Walking, of which RunRivieraRun Asd sports association is a member.

## Participation Requirements

In accordance with the 'Rules for event organization' issued by FIDAL, the right to participate is extended to registered athletes who are over 18 years of age and in possession of one of the following requisites:

- 2024 membership with a FIDAL affiliated athletic association/club
- Possession of a Runcard, by Italian and foreign athletes over 20 years old (which acts as athletic insurance and permission to compete). Athlete participation is in any case subject to:

**A)** Either the athlete in question presenting an original, valid and up-to-date medical certificate that attests to his/her eligibility for light athletics and a photocopy of the same that will be kept by the event organizers. Medical certificates for foreign non residents can be issued abroad, but they must include the same medical exams as the Italian certificate: a) a medical check-up b) a complete urine test c) an ElectroCardioGram following exertion and at rest, and d) a lung function test

**B)** Or the organizer's confirmation of an existing valid medical certificate specific for competitive athletics, using the Runcard database.

**C)** Or the organizer's confirmation of an existing valid medical certificate specific for competitive athletics, using the relative application on a tablet/phone, etc.

- Athletes who are members of Sports Promotion Authorities (in the athletic section) who possess a Runcard-EPS; however, participation is still subject to:

- The athlete in question presenting an original, valid and up-to-date medical certificate that attests to his/her eligibility for light athletics and a photocopy of the same that will be kept by the event organizers. Medical certificates for foreign non residents can be issued abroad, but they must include the same medical exams as the Italian certificate: a) a medical check-up b) a complete urine test c) an ElectroCardioGram before and after exertion d) a lung function test

Italian Residents can purchase a RUNCARD for €30 (€15 for Residents who are members of Sports Promotion Authorities) on the website [www.runcard.com](http://www.runcard.com). Once the RUNCARD has been purchased, it will be sent via email along with your request confirmation.

Participation is permitted to Italian and foreign athletes who are not associated members in Italy, older than 18 years of age and who possess one of the following requirements:

- membership pertaining to affiliated associations of a foreign Light Athletics Federation recognized by World Athletics. At the time of registration, athletes will alternatively have to present:

- A self-certification that attests to possessing a W.A. - recognized membership. The self-certification will then be signed at the moment the athlete is given his/her number bib.

Foreign Residents can autonomously purchase the RUNCARD for €15 online at [www.runcard.com](http://www.runcard.com). Once the RUNCARD has been purchased, it will be sent via email along with your request confirmation. Possessing a runcard is of indispensable importance because it offers the necessary medical insurance coverage which is mandatory according to Italian law, given that the athlete is not an Italian Athletics federation member.

### **The Cost of Registration covers:**

1. 1 Race kit, including tech gadgets and products offered by the event's sponsors.
2. 1 Number bib with an integrated microchip used to electronically track race times.
3. Third-Party Civil Liability Insurance.
4. A Medal for the athletes who finish at the top of their respective categories (given out upon arrival in Loano).
5. 1 Diploma of participation displaying the athlete's arrival time, which can be downloaded at [www.wedosport.net](http://www.wedosport.net)
6. Refreshment upon finishing

7. Technical assistance (refreshment, mineral salts and sponging along the race route).
8. Guaranteed medical assistance along the entire race route, including emergency services deployed to fixed points of the marathon route and at the Finish Line.
9. Timing service.
10. Pacemaker services at 1:30/1:40/1:45/1:50/2:00 hour marks
11. Safekeeping of the athletes bags and personal effects (locked aboard vehicles provided by the event organizers; drop-off – Varigotti, collection – Loano).
12. Porter Potties at the Starting Line area (Varigotti, Malpasso Locality).
13. Showers, bathrooms and men's and women's changing rooms at the Finish Line (Loano).
14. Massages offered in the Finish line area.
15. Shuttle service to Loano before the race – with an obligatory donation of €1 to be used to fund our annual charity project. The 3 Shuttles (45-50 capacity each) will leave from the roundabout in front of Loano Marina at 7am with predetermined stops that will be communicated prior to the race, finally arriving at the starting line (How much one donates must be decided at the moment of registration. For those who prefer to decide at a later date, they must hand in their donation when they receive their bib).
16. Return Shuttle service to Varigotti after the race – obligatory donation €1 or more for the 2024 Charity project. The service will run from 12 noon to 3pm, leaving from the roundabout just in front of the Loano Marina, along the coastal road (next to the Amico Shipyard). Participants will not be allowed on board if they fail to meet the minimum donation.
17. Shuttle service for participants in the Queen Half Marathon two-person Relay Race (first leg arriving at Piazza Porta Testa, Finalborgo, 8km; second leg from Finalborgo to Loano Marina, 13km) from Finalborgo to the finish line in Loano. There is a coinciding €1 minimum donation that will go to the 2024 Charity Project.

The above-mentioned post-race shuttle service is reserved for use of the participating athletes identified by their bibs. Only athletes/runners who, at the time of registration, specifically request the shuttle service will be able to use them. We would like to remind athletes that stops may be made along the coastal road VIA AURELIA on request. We would also like to remind athletes that once the minibuses or other vehicles have dropped all the athletes off at the starting point of the race (there are unsupervised parking lots for which the organizers nor collaborating businesses will assume any legal responsibility for any eventual damage to or theft of athletes' or affiliates' cars or personal belongings), they will ONLY be able to turn back towards Noli.

### **Number Bib and Race Kit Collection**

Athletes can collect their number bibs and race kits at the Loano Marina on Saturday the 26<sup>th</sup> of October, from 10 am to 7 pm. Conversely from 7 am to 8:30 am on the day of the race, Sunday the 27<sup>th</sup> of October athletes will be able to collect their race bibs, however they will only receive their race kits once they've arrived at the finish line, outside the athletes-only area.

When the athlete collects his/her number bib, member athletes must present a valid personal form of identification; athletes registered with Runcard must present, in addition to identification, a photocopy of their medical certificates, if they have not already sent them to info@runrivierarun.it.

### **Information about the RunRivieraRun International Half-Marathon**

The Race will take place on Sunday the 27<sup>th</sup> of October 2024, starting at 9:30 am at the starting line in Malpasso Locality in Varigotti (Finale Ligure).

The finish line will be in Loano Marina, Loano.

The maximum allowed time to complete the half marathon will be 2 hours and 30 minutes, at which point traffic will be reopened on the route. All participants who choose to continue beyond said limit must fully adhere to all traffic code rules, just like normal pedestrians and under one's own responsibility. **Athletes**

**who do not complete the race within the allotted time will not be inserted into the official race rankings** (Competition and Technical Rules 2024 edition).

All finishers, including those who do not finish within the maximum time limit, will receive an official RunRivieraRun International Half Marathon medal upon their arrival at the Finish Line area.

The marathon route has been measured and certified by the official FIDAL Route Measurers.

Timing services will be carried out using microchips handed out with the number bibs provided, which allows Real-Time recording from the Start to Finish lines.

The bib, which must be positioned on the chest in such a way that it is visible and must not be reduced in any way before or during the race (rules 5.7/8/9), does not have to return to the event organizers following completion of the marathon.

Automatic Timing Services will be carried out by Wedosport [www.wedosport.net](http://www.wedosport.net)

The official Final rankings will be available starting from the end of the race, Sunday the 27<sup>th</sup> of October at [www.wedosport.net](http://www.wedosport.net) and [www.appnrun.oit](http://www.appnrun.oit), and on Monday the 28<sup>th</sup> of October on [www.runrivierarun.it](http://www.runrivierarun.it)

Refreshment will be provided for every 5 kilometers, as per FIDAL regulations. These services are for registered athletes whose bibs are visible. Said services will not be made available to unidentified athletes present on the route.

Photographic services will be present during the Marathon.

The event organizers are covered by insurance for accidents that participants, third parties or things may suffer before, during or after the event.

In accordance with Rule 6.3.1 of the GTR, the following will not be allowed and causes disqualification:

- People running who are not official participants in the marathon
- the presence of helpers or chaperones both on bicycle and in motor vehicle

In accordance with Regulation 55.8.8, athletes must not:
